Dream  
Yourself . . .

A dream  
Come True.

Dream On . . .

Dream On . . .

# Dream On . . .

**Dream Until Your  
Dreams Come True.**

To celebrate Dozier's fifth year of existence, we would like to dedicate *The Dragon* to Mr. Bobby C. James, our principal. In past years, the yearbook was dedicated to someone who showed extreme dedication to the school. We feel that Mr. James displays that quality, plus much more. A familiar face in the crowd, Mr. James is often present at such activities as an athletic event, a "Back-to-School" night, a carnival, a dance or an NJHS induction. He also takes an active part in the T/A program. Perhaps most importantly, Mr. James maintains a very close contact between the administration, the parents and the students. Mr. James shows us everyday that he is not just an administrator but also an advisor, a teacher, an inspirational leader, and above all, our friend.

*"Half my life's  
in books written  
pages lived and  
learned from  
fools and from  
sages.*

*You know it's  
true, all these  
things come  
back to you"*

classes

# Humanities

In the beginning God said, "  $h^{3/8}$

$x^8m (2x^4/2x^2+cl^2x/3k^2+2^2/k^2)x^{pr=80}$

must be finite" and then there was light.

Ninth and eighth graders alike must take math. Whether it's algebra, pre-algebra, fundamentals or geometry, the point will get across. Math will always be with us.

It doesn't matter if it's reading maps or learning that the Greeks were conquered by the Romans, because Social Studies is a required subject for all ninth graders. It is an elective for eighth graders. In Social Studies you have a choice of World History, World Geography, American History or Civics.

English is one of the few subjects in which people

can express themselves. A study of literature is incorporated in to the accelerated English classes while other groups study verbs, nouns, pronoun, prepositions and exclamations. English is required in both eighth and ninth grade and requires the students to write essays, poetry, compositions and short stories.

## Foreign Language

Students choose a foreign language class on their own free will because they know it will enlighten their knowledge of the language they take and they will experience a part of the country they study. Whether it's French, German, Latin or Spanish, it is a lot of hard work, but it's all worth it when you know you are taking another step towards making your college dreams come true.

Two types of Science are taught at Dozier. Eighth grade physical science is required while earth science taught in the ninth grade is an elective. These courses give you the opportunity to experiment with new equipment and participate in lab activities. All this information prepares you for the construction of your science project. Exceptional projects are eligible for city-wide competition.

## Science

# Music

Dozier is well-known across the city for its excellent Music Department. Students interested in music have several areas to choose from: Chorus, Band, Orchestra, and Guitar. Judging by the large enrollment in these classes, music is definitely a universal language.

Art classes are definitely not just for talented artists. The only requirements are enthusiasm and initiative. Students use their creativity in many art-related areas, such as painting, drawing, and making leather crafts and carvings from soap and wood. The Art Department also provides scenery for plays and other school productions, and ornaments for the Christmas trees in the Dozier Commons and at Newmarket North.

# Art

## Home Economics

Even though sewing and cooking are the major subjects taught in Home Economics, personal appearance, home decorating, and child care are also covered. This course definitely provides an excellent background for the future home maker.

Students enrolled in business classes prepare themselves for the future in many ways. They learn about managing a budget, balancing a checkbook, and how to type and take shorthand. In addition, they choose any interesting career, research it thoroughly, and write a term paper on it, thereby becoming familiar with the proper format.

## Business

## Health/P.E.

"Pffffft! All right! Squad lines . . . Ready! . . . Exercise!" So begins a typical physical education class. This year, boys and girls were together for the first time. Another first was Coach Linkenauer's unit on P.E. Science, which emphasized the relationship of physical fitness to the functions of the human body. While eighth graders have an entire year of P.E., ninth graders are required to take one semester of health.

The aim of the Industrial Arts course is to expose the student to the world of work, which is the basis of our industrial society. Students experiment with tools, materials and equipment. As he studies wood, metal, and plastics, he learns more about his own abilities and interests. This knowledge may eventually lead to a wise and informed choice of a meaningful career in an industrial area.

## Industrial Arts

*"Every time that  
I look in  
the mirror. . . "*

## *The King and His Court . . .*

---

---

At a quick glance, Dozier is only an intermediate school. More indepth study, however, reveals that Dozier is actually a miniature nation. Our king is, of course, Mr. James, who rules with a firm hand. He is advised by his court, which consists of: Mr. Lloyd Eason, who, is in charge of ninth grade discipline, Mrs. Carol Lamboitte, assistant principal for instruction, and Mr. Terry O'Toole, eighth grade discipline. The rest of the staff, shown on the opposite page, represents the loyal subjects. Completing the picture are the teachers, or land-owners, and the students, who symbolize the working class.

**Principal:** Bob James

**Assistant Principals:** Lloyd Eason  
Carol Lambiotte  
Terry O'Toole

## *. . . and His Loyal Subjects*

**Guidance:** Nancy Helms, Frances Lawrence, Phyllis McCarron, Bill Walls

**Library:** Elaine Ball, Norma King, Jane Newell (absent)

**Career Aides:** Jeanette Pierce, Jackie Sansom

**Secretaries:** Dorcas Kenne, Lucille Leviner, Gloria McCarthy, Arline Cor-  
dova, Hazel Needham (absent)

**Staff Aides:** Dot Adams, Breon Haskett

**Disciplinary Monitors:** Norman Poe, Pam Bethea

**Cafeteria Staff**

*"I know nobody knows  
where it comes and  
where it goes.  
I know it's everybody's  
sin; you got to  
know how to lose to  
know how to win."*

sports

---

# Soccer

---

Dozier's first sport event of the year brings about much interest and enthusiasm.

---

After getting pretty well situated in school, many of Dozier's soccer players came out for the new season. Hours of practicing, with a lot of running, was the scene every day after school while preparing for the first game.

Along with all of the special skills needed, such as blocking shots from the opponents, bouncing the ball off your head, or juggling it with your feet and knees, teamwork is the greatest necessity. Not much can be done without it.

This is Coach Linkenauger's first year here at Dozier, and, although it took a while, the soccer team turned out a fairly good record. Besides doing well in the regular season, they did an excellent job in the District Tournament, where they placed third.

Above: Deep in his own territory, Billy Webster tries to kick the ball downfield to more Dragon teammates.

Right: A pair of Dragons move the ball a little closer to the goal.

Goalie Todd Roach makes another save. Nobody ever said being a goalie was easy.

At left: Victor Wooten attempts a goal in the game against Carver.

Center left: Tim Green clears the ball out of Dozier territory. In the background is Sanford Elementary School, where all soccer games were held.

Below: Advancing the ball downfield are Victor Wooten and his teammates.

Bottom left: Scott Underwood and John Pesiri race to intercept the ball for the Dragons.

Soccer		Opponent

4	Huntington	3
2	Carver	7

Wins — 2, Losses — 4  
Ties — 0

# Field Hockey

Team members gain valuable experience in first season.

One of the many new sports started at Dozier this year is Field Hockey, a fast-moving game that requires endurance, speed, coordination, and most of all, teamwork. Most of the girls had never played the game before, but under the careful coaching of Mrs. Sweet, the team put together a respectable season. Moreover, the members who plan to play Field Hockey in the future gained valuable experience. After a good finish in the regular season, the team lost to Carver by a narrow margin, 1-0, in the District semi-finals. Dozier's first Field Hockey season definitely gives a promising outlook for coming years.

Above: Charlotte Alfred dribbles the ball downfield as the Dozier offensive line advances against Newport News.  
Below: In practice, Judy Weber and Sandra Malave prepare for the next game.

Back Row: Harriet Sweet (Coach), Celeste Koeleveld, Susan Johnson, Lisa Hall, Charlotte Alfred, Sandy Nordaby, Sandra Malave. Front Row: Judy Weber, Jeri Weber, Jennifer Jeansonne, Aimee Lenz, Nancy Pittman, Monica Tornoff, Mary Bachmurski.

At left: Mary Bachmurski maneuvers the ball around the opponent.

Center left: Family ties are upheld as Jeri and Judy Weber work together to move the ball into scoring position.

Below: Team members scrimmage in practice.

Bottom left: The entire team rejoices in victory after a hard-fought battle with Newport News.

# Basketball

---

## Not a "Losing Year", but a "Rebuilding Season"!

---

The basketball players could be easily recognized on game days by their three-piece suits, but the teamwork displayed on the court was unfortunately not as fancy as the flashy clothing. New to the scene this year was girl's basketball and a combined 8th and 9th grade team.

The Dragons would come out fighting, but all too often they couldn't keep it together and started falling behind. Many individual talents were displayed, but this was not enough to win the games.

The members of the girls basketball team were: Bottom Row: Audrey Johnson, Judy Weber, Sandra Galloway, Karen Cooter. Second Row: Dana Feasel, Kim Brown, Ronnell MacRae, Dorthia Holmes and Sharon Banks. Left: Jeri Weber jumps for the Dragons. Below: John Kirk scores two more for Dozier against Carver.

Play-maker Karen Cooter passes the ball off to a teammate.

At left: Battling under the boards for the rebound is Reid Kyle.

The members of the boys basketball team are:  
Coach Ashe, Manager Ken Dudley, Derik Glenn,  
John Kirk, Curtis Duberry, Reid Kyle, Marshall  
Barnes, Eric Harris, Donald Stingfield, Managers  
Tony Owens, John Persiri, Greg Powel, Tom  
Joyce, Ron Frazier, Leno Veney.

---

## A Year of Learning

---

Herchell Kilgo was experienced, instructive, and a highlight of the wrestling team.

---

In the past, Dozier has had an outstanding wrestling team, largely due to an experienced coach. After Coach Edward's departure last year, Coach Linkenauger stepped in to fill the gap. Though he was inexperienced in wrestling, his presence held the team together.

Though the year got off to a slow start, one problem occurred throughout the season. There weren't enough wrestlers. In the first match, against Huntington, over one-fourth of the matches were forfeited. The overall record was not the highest this year, but experience was gained, and this will carry through until next year.

Wrestling		
Dozier	Opponent	
9	Huntington	67
9	Newport News	66
15	Carver	53
26	Huntington	40
10	Newport News	46
8	Carver	52

Wins — 0, Losses — 6

Watching the final seconds count down is Robert Scott, in his victory against Newport News.

Herchell Kilgo wins again! Kilgo went undefeated in the 138-pound weight class, and led the Dragons in pins with four. He also placed first in the District Tournament.

Robert Scott takes the upper holding the Referee's Position, as he awaits the start of third round action.

Back Row: Coach Linkenauger, Mark Johnson, Herchell Kilgo, Ken Alexander, Curtis Swanson, Mike Corwin, Troy Kenyon. Front Row: Mark Sellers, Chris Burgess, Robert Scott, Tom Griffin, Anthony Wooden.

Trying to get an "escape" is Tom Griffin in his match against Newport News.

---

## The Best "Racquet" Around

---

Anticipating another winning season of tennis are the Mighty, Dozier Dragons.

Nearing the close of winter, Dozier's finest hit the courts, getting ready for the new season. For some reason, cold practices, aching muscles, and long hours don't seem to intimidate these anxious students.

Mont Linkenauger hopes to turn out a winning year to celebrate his first season coaching the Dragons. Returning from last season are Bruce Brunk, David NeeSmith, Michelle Miller, and Kathy Creedon. While all the players strive to improve their game, only the very best, the top eight, will compete in the matches.

Stroking a small yellow ball back and forth across a net may be some peoples idea of tennis, but to the mighty Dragons, it's the season for "Wheaties", the breakfast of champions!

Due to the early deadline, pictures were not available.

---

# Gymnastics

---

Dozier's first gymnastic's team captures 2nd in District Tournament

---

Gymnastics is a sport that requires skill, hard work, determination, discipline, and training. Dozier's first gymnastic team was formed this year by (Head) Coach Anne Binder. Several weeks of practice every day after school got the gymnasts in shape for their first meet. The Dragons were strong during the season, and went into the District Tournament with hopes of placing first. The competition was tough, and they finished with a strong 2nd.

Top left: Peggy Marr exhibits perfect form as she prepares her dismount.

Bottom left: The members of the Gymnastics team are From the Top, Left to Right: Debbie Amato, Leonia Patterson, Tammy Ryan, Nancy Caravanna, Terri Johnson, Peggy Marr, Jeri Weber, Lisa Carden, Karen Teichman, Vonda Webb, Heidi Evitt, Martina Williams, Jackie Talifero, Victor Wooten.

At right: A job well done by Jackie Talifero on her difficult floor exercise.

Above: With much grace, Kathy Speneer performs her balance beam routine.  
Below: Jeri Weber receives a high score for her vault against Carver.

Nancy Caravana begins her floor exercise in the District Tournament.

<b>Gymnastics</b>

'n' sing for the tears."*

activities

## *National Junior Honor Society*

To be eligible for membership in the National Junior Honor Society, a student must have a 3.5 grade average. The high average, however, is only one element of consideration. In addition, a candidate is judged on character, service, leadership, and citizenship. The purpose of the society is to promote these five ideals. New members are inducted by candlelight ceremonies in the fall and the spring.

The NJHS is a very active organization at Dozier. Various members are involved in peer tutoring, a "featured teacher" bulletin board, and the bookstore. Furthermore, a canned food drive was held at Christmas, and a field trip to Patrick Henry Hospital was taken in April. Finally, the end of the school year is celebrated with a picnic at Newport News Park.

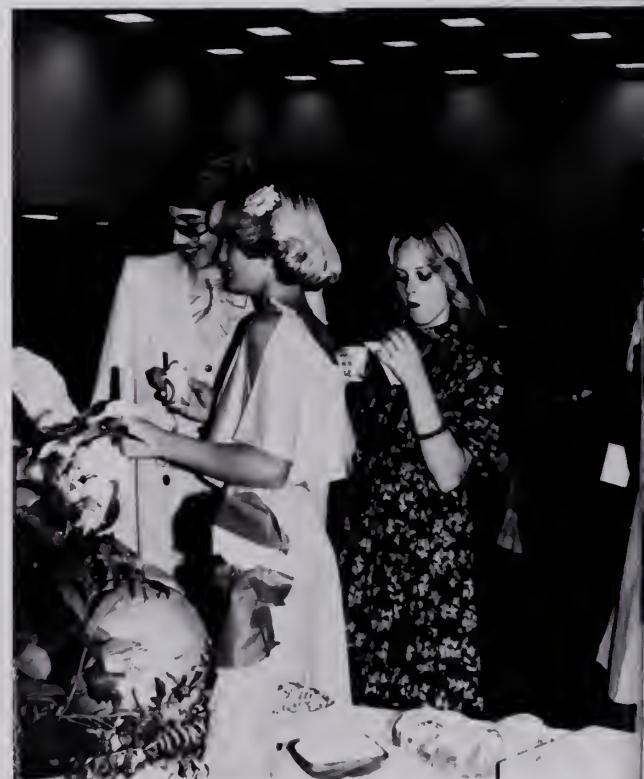

Above: Inductees prepare to repeat the pledge at the induction.

At right: Members socialize at the reception after the ceremony.

The NJHS meets to discuss the fall induction.

**Faculty Council:** Sarah Brown, Dale Hargrave, Elaine Ball (*sponsor*), Debra O'Neal, (*not shown*) Wilbert Ashe, Lorraine Hinds, Ernestine Davis, Sandra Brown, Amy Sturgis.

**Officers:** (*standing*) David NeeSmith, Vice President, Kristin Segalini, *secretary*, Donna Izzo, *representative*, (*seated*) Michelle Harrell, *treasurer*, Celeste Koeleveld, *president*.

**The National Junior Honor Society.**

## Three cheers for . . .

### The 9th Grade Cheerleaders

The loudest and probably the most popular club at Dozier are the cheerleaders. There are a group of cheerleaders for the 9th grade which are pictured above, and a group of cheerleaders for the 8th grade which are on the next page. They cheer the Dragons on at basketball and soccer games as well as at wrestling matches.

# Cheerleaders

Out of action.

The 8th Grade Cheerleaders

# Band

The Dozier Band works hard to learn music in order to compete in Christmas Parades, put together half-time shows, and to perform for concerts and band festivals. It's this type of work that makes Dozier's band # 1.

Symphonic Band

Concert Band

All-City Band

Gold Stage Band

Green Stage Band

Regional Band

# Majorettes

The majorettes add a special touch to the band during Marching season. They also compete as a separate unit in parades.

## Band on the Run

## The Choirs

At Dozier we have a large group of talented students who sing. They're in one or more of the catagories of music which are Girls Ensemble, Madrigals, Workshop, Gospel Interdenominational, and the Choir.

Workshop

Gospel Interdenominational

Choir

# SCA

The Student Council does its best to make our years here at Dozier the best they can. They arrange activities such as dances, and Valentine flower sales.

Executive board (From Left to Right) Shawn Porter, Michelle Harrell, Joy Luckes, Crystal Williams, Georgeann Gibson, Cheryl Oberg, Delissa Kilpatrick. Sponsor: Mike Vaughan

Members

The Ski Club helps students become more familiar with the sport of skiing. They also plan and participate in ski trips.

## Ski Club

ROTC is an outstanding opportunity for the students to experience what life would be like in the service.

## ROTC

## School Aids

At Dozier, we have a team of students who serve as school aids. In the top picture are the office aids who help in the office by stapling papers, running errands, and any odd jobs that need to be done. The middle picture is the Honor Guard who is in charge of putting the flag up and taking it down. The last picture is the Cafeteria Monitors who help keep food and trash off the tables and out of the chairs and they stop people from running in the halls on their way to lunch.

DRILL TEAM — A group of spirited girls who perform creative routines both in competition during parades and as a feature at our Pep Rallies.

## Drill Team

# Expressions Through Talent

## Drama Club

The Drama Club is a group of talented students who meet once a week. They study characterization, body movements and voice. This year they have performed for the Reading Fair and presented the "Hobbit". Drama lets students express themselves as they portray other characters.

## Art Club

The Art Club gives the Dozier students an opportunity to express themselves through their artistic talents. They provided hand-made ornaments for the Christmas Tree at Newmarket Nort.

FHA — There is a club at Dozier called the Future Homemakers of America (FHA). They (Ms. Ethel Lawrence and staff) try to help youth to assume their roles in society through home economics education, in the areas of personal growth, family life, vocational preparation, and community involvement.

Washington Workshop — Three Dozier students went to Washington as a learning experience. While they were there they learned much about our government system by meeting with Congressmen and attending meetings.

## Science Club

The students who participate in this club have some interest in the scientific field and they further their knowledge with the help of their sponsor Mrs. Jones.

## Pep Club

The Pep Club attends all the school athletic events that Dozier participates in and they help promote school spirit by showing their enthusiasm.

## Welcoming Committee

The Welcoming Committee makes new Dozier students feel right at home by showing them around the school, helping them find their classes and telling them about the various activities available at Dozier.

## Photography Club

The Photography Club enables students to decide if photography is a career opportunity they should seriously consider. They have video taped parades and sports activities and have put up a bulletin board of pictures.

## Broadcasting Club

The Broadcasting club can be heard in the morning on the intercom telling us the news of the day.

## Tutors

Once a week on Wednesday during T/A the students in Mrs. Russell's T/A go over to Reservoir Elementary and assist in teaching the students basic skills.

T/A is a program set up at Dozier in which students stay in their home-room on every other Wednesday until 10:00 to participate in services or communications.

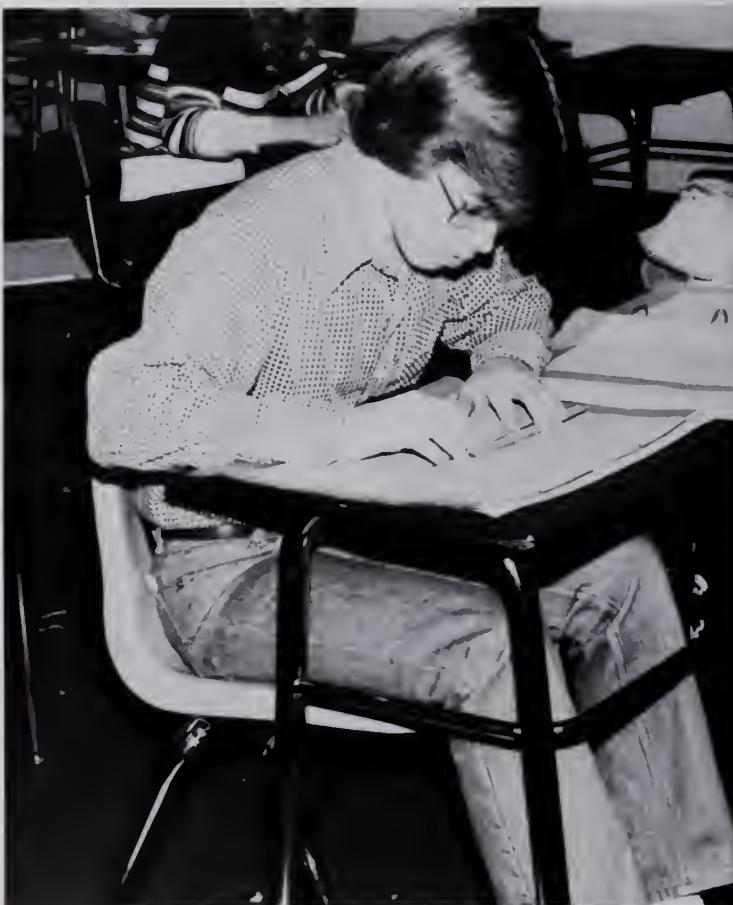

# The 1979 "Dragon" was brought to you by . . .

First Row, left to right: David Neesmith, Kathy Burke, Sharon Mueller, Judy Wheat. Second Row, left to right: Celeste Koeleveld, Sandy Nordaby.

This was a new experience for all the members of the yearbook staff . . . Putting together a yearbook required many hours after school and at home, working on layouts and writing copy. It also involved a seminar this summer in Richmond to teach the staff how to create a successful book . . .

At right: David Neesmith works on a layout for the Sports section.

At left: Celeste Koeleveld and Kathy Burke work on layouts while below, those attending the Summer Seminar take a break.

# Advisory Committee for Dozier Intermediate

The purpose of this committee, made up of administrators, faculty members, parents, and students is to advise the principal in the programs at Dozier which affect both school and community. The members of the committee are (from left to right) Mr. Mike Vaughan, Mrs. Bernice Luckes, Michelle Harrell (student), Ken Del Ashton (student), Mr. Lloyd Eason, Mr. Bruce Shumaker, Mr. Bobby James, Mrs. Paula Talley, Mrs. Carolyn Dalzotto, and Mrs. Dorothy Graham.

---

We want to thank:

Miss Williams and the Photography Club,  
All teachers and staff who co-operated with us,  
Danny DeFalco and Jeff Waters, our representatives from  
Taylor Publishing Company,

and most importantly  
the students, who make the yearbook possible.

# Autographs

## Dream On

Every time that I look in the mirror,  
all these lines on my face gettin' clearer  
It went by like dust to dawn.

Isn't that the way —  
everybody's got their dues in life to pay?  
I know nobody knows where it comes and  
where it goes  
I know it's everybody's sin; you got to  
know how to lose to know how to win.

Half my life's in books written pages;  
Lived and learned from fools and from sages  
You know it's true,  
all these things come back to you.

Sing with me, sing for the years,  
sing for the laughter 'n' sing for the tears  
Sing with me if it's just for today  
maybe tomorrow the good Lord will take you away.

Dream On, Dream On, Dream On,  
dream yourself a dream come true  
Dream On, Dream On, Dream On,  
and dream until your dreams come true.

Dream On, Dream On, Dream On, Dream On, Dream  
On, Dream On, Dream On, ah —  
Ah — Sing with me, sing for the years,  
sing for the laughter 'n' sing for the tears.  
Sing with me if it's just for today,  
maybe tomorrow the good Lord will take you away.  
Words and Music by  
Steve Tallarico  
"Aerosmith"
